

**25th INTERNATIONAL CONFERENCE
ON SOLID COMPOUNDS OF TRANSITION ELEMENTS
and
XVI INTERNATIONAL CONFERENCE
ON CRYSTAL CHEMISTRY OF INTERMETALLIC COMPOUNDS**

**SCTE  IMC
Lviv - Lublin, 2026**

will take place in Lublin, Poland on June 15-18, 2026

You are cordially invited to attend the *25th International Conference on Solid Compounds of Transition Elements* and the *XVI International Conference on Crystal Chemistry of Intermetallic Compounds*. This joint meeting will serve as a forum to present and discuss new results on synthesis, characterization, properties, and applications of solid compounds of *d*- and *f*-elements, as well as intermetallic and related compounds. Both conferences have long-standing tradition. *SCTE* meetings have been held since 1965, in Austria, Czechia, France, Germany, Italy, Netherlands, Norway, Poland, Portugal, Spain, Sweden, Switzerland, and United Kingdom, *IMC* meetings since 1971, always in Lviv, Ukraine.

ORGANIZERS

Ivan Franko National University of Lviv, Ministry of Education and Science of Ukraine, National Academy of Sciences of Ukraine, Ukrainian Crystallographic Committee

MAIN TOPICS

- synthesis and characterization
- phase equilibria and phase transitions, thermodynamics
- crystal structure, crystal chemistry
- electronic structure, chemical bonding
- simulation, machine learning, databases
- magnetic, transport, and optical properties
- topological and correlated matter
- energy production and storage, applications

SCIENTIFIC PROGRAM

The scientific program will include invited lectures, shorter oral presentations and poster sessions. More information, including abstract submission and registration forms, can be found on the conference website.

CONFERENCE FEES

The basic conference fee for a regular participant is 400 EUR, for a student 200 EUR. Special fees will be applied for participants from Ukraine. The deadline for abstract submission is March 15, 2026.

Roman Gladyshevskii, Chairman of the organizing committee of SCTE&IMC
