

**25th International Conference on Solid Compounds of Transition Elements &
XVI International Conference on Crystal Chemistry of Intermetallic Compounds**

SCTE  **IMC**

Lviv - Lublin

June 15-18, 2026

SPONSORSHIP OPPORTUNITIES

**Venue: Lublin Conference Centre,
A. Grottgera 2, 20-029 Lublin, Poland
lck@lck.lubelskie.pl**

WELCOME MESSAGE

We are pleased to invite you to participate as a sponsor at the upcoming conference SCTE&IMC, originally planned to be held in Lviv, Ukraine, but which will take place in Lublin, Poland, on June 15-18, 2026.

The well-known **International Conference on Solid Compounds of Transition Elements** has, since its creation in 1965, been organized in Austria, Czechia, France, Germany, Italy, the Netherlands, Norway, Poland, Portugal, Spain, Sweden, Switzerland, and the United Kingdom. The 25th edition should take place in Lviv, Ukraine, where, since 1971, the Ivan Franko National University of Lviv has been organizing the **International Conference on Crystal Chemistry of Intermetallic Compounds**. Given the fields covered by the two conference series, the 25th edition of SCTE and the 16th edition of IMC will be merged in 2026. The geopolitical situation impeding organizing an international event of this size in Ukraine, the conference site was moved to Lublin in Poland.

Based on the attendance of preceding editions of the parent conference series, the meeting is expected to bring together some 200 specialists from some 20 countries.

Your company will have a unique opportunity to present its products to an international audience of high-level scientists of today and tomorrow. The conference offers a platform for building brand recognition and establishing valuable connections with new clients, and we would be happy to count you among our sponsors.

Roman Gladyshevskii
Ivan Franko National University of Lviv
Chair of SCTE&IMC

ABOUT SCTE&IMC

Audience: 200 scientists from universities and research institutes all over the world (20 countries), from PhD students to decision takers

Scope: chemistry and physics of inorganic and intermetallic solid compounds, search for new inorganic materials from theory to applications:

- synthesis and characterization
- phase equilibria and phase transitions, thermodynamics
- crystal structure, crystal chemistry
- electronic structure, chemical bonding
- simulation, machine learning, databases
- magnetic, transport, and optical properties
- topological and correlated matter
- energy production and storage, applications

Programme: 8 plenary lectures, 16 parallel sections with in total 90 oral presentations, two poster sessions, welcome party, conference dinner

SCTE&IMC ADVISORY COMMITTEE

Roman Gladyshevskii, Ivan Franko National University of Lviv, Ukraine (*chair*)
Fernando Bartolome, University of Zaragoza, Spain
Ernst Bauer, Vienna University of Technology, Austria
Rached Ben Hassen, University of Tunis El Manar, Tunisia
Jean-Louis Bobet, University of Bordeaux, France
Herbert Boller, Johannes Kepler University of Linz, Austria
Radovan Černý, University of Geneva, Switzerland
Ross Colman, Charles University, Prague, Czechia
Serena De Negri, University of Genoa, Italy
Thomas Fässler, Technical University of Munich, Germany
Daniel Fruchart, Institut Néel, CNRS, Grenoble, France
Mauro Giovannini, University of Genoa, Italy
Antonio Pereira Gonçalves, University of Lisbon, Portugal
Yuri Grin, Max Planck Institute for Chemical Physics of Solids, Dresden, Germany
Ladislav Havela, Charles University, Prague, Czechia
Dariusz Kaczorowski, Institute of Low Temperature and Structure Research, Wrocław, Poland
Mercouri Kanatzidis, Northwestern University, Evanston, USA
Arthur Mar, University of Alberta, Edmonton, Canada
Takao Mori, National Institute for Materials Science, Tsukuba, Japan
Mathieu Pasturel, University of Rennes 1, France
Rainer Pöttgen, University of Münster, Germany
Klaus Richter, University of Vienna, Austria
Peter Rogl, University of Vienna, Austria
Caroline Röhr, University of Freiburg, Germany
Andrzej Szytuła, Jagiellonian University, Kraków, Poland
Ihor Zavaliy, Karpenko Physico-Mechanical Institute, NASU, Lviv, Ukraine

ORGANISERS

Львівська
міська
рада

SCTE&IMC is organised by the Ivan Franko National University of Lviv, under the auspices of the Ministry of Education and Science of Ukraine, the National Academy of Sciences of Ukraine, and the Ukrainian Crystallographic Committee

Organising committee, Lviv: Roman Gladyshevskii (*chair*), Oksana Zaremba (*secretary*), Karin Cenual, Grygoriy Dmytriv, Khrystyna Miliyanchuk, Volodymyr Pavlyuk, Svitlana Pukas, Yaroslav Tokaychuk; Lublin: Dorota Kołodyńska, Igor Melnyk, Zofia Rzączyńska

Department of Inorganic Chemistry, Ivan Franko National University of Lviv

Kyryla i Mefodiya St. 6, UA-79005 Lviv, Ukraine

telephone: +380 32 2600388; e-mail: scte.im2026@gmail.com

website: chem.lnu.edu.ua/about/departments/scte_imc_2026

SPONSOR VISIBILITY

We propose the following possibilities to place the logo of your company, or present its activity and products in a more detailed way.

Advertising leaflet in the conference bag distributed to each registered participant on arrival	100 EUR
Poster exposed at the conference site during the 4 days of the conference	1000 EUR
Company logo in the conference programme on the back cover of the printed programme distributed to the participants on arrival	200 EUR
Page in the conference programme A5 page in the printed programme distributed to the participants on arrival	500 EUR
Logo on screen during the conference screen saver shown between oral presentations	200 EUR
10-minute video proposed during a coffee break or poster session	1000 EUR
Company logo on the website under the item Sponsors	200 EUR
Poster prize name a prize attributed to the best poster or oral presentation	500 EUR

Other options may be discussed. Please contact Oksana Zaremba at scte.imc.2026@gmail.com or by phone +380(97)6170446 for more information.
